We often have need for copies to be made of school documents and memos. Sometimes it's a small job and other times not. Do you have access to a copier for these kinds of tasks?

Do you have any special skills or interests that you would be willing to share in the classroom? Things like music, art, storytelling, etc.

Do you know anyone who you think would be a good contact to come in and talk to the children or we could visit on a field trip? i.e. musician, veterinarian, actor, artist etc.
